We would like to invite everyone to this special event at our church on Saturday, April 13th at 6:00 PM. As the founder and director of Damascus Road Recovery, John "Butch" Scruggs will be sharing information about their work with addiction recovery. Damascus Road Recovery operates a long-term recovery residence for men suffering from dependence on drugs and/or alcohol in Newton county. Butch will also speak about the nature of addiction and the importance of family awareness and education to recovery.

Our hope is to raise awareness for the excellent ministry being offered by Damascus Road Recovery and to encourage education and dialogue about the devastating effects of addiction. Our church is also planning a 4.4 Mile Charity Run on Saturday, May 18, 2013 with the proceeds going to Damascus Road Recovery. Together we can help change the world one step at a time by building stronger families and healthier communities through recovery.

Our fellowship hall can seat 80 to 100 people for this event. There is no cost (though donations are welcome), and light refreshments will be served. Please contact us if you have any questions about these events, by contacting Sandra Hodges at 770.787.3723 or sandra.hodges@msn.com
